

# Using Instant Reports

Instant Reports, Funnel Plots and Score Comparator are graphs that provide a brief, real time overview of your data. Unlike the report writer they update instantly meaning they include any information inputted today.

Due to the sensitive nature of the data, some of these graphs are only available to pathway owners.

To access these reports first click the reports icon.

Click the report you require.

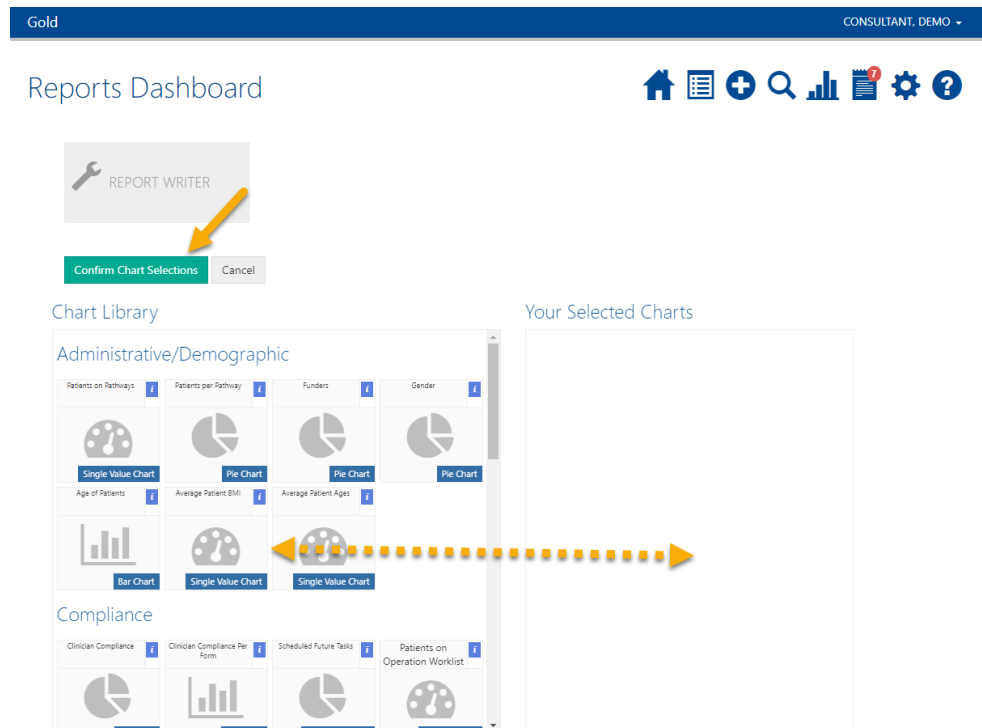

## Instant Reports:

If configuring your Instant Reports for the first time click Configure Your Dashboard. Drag and drop the reports you require; these can be rearranged in any order.

Once happy click Confirm Chart Selection.

Now whenever you go to your Instant Reports these will load using real time data.

## Funnel Plot:
